Walking to School Safety Tips

- Plan and practice a safe walking route with your child
- Use streets with sidewalks, crosswalks and crossing guards
- Talk to your child about what to do if they are approached by a stranger
- Look for cars backing out of parking spots, driveways, busy streets stranger

School Bus Safety Tips

- Get to the bus stop early and do not run to the bus
- Wait until the bus has come to a complete stop before boarding
- Always cross in front of the bus where driver can see you
- Once the bus is in motion, remain in your seat
- Only get off the bus at your assigned stop

COVID-19 Safety Tips*

- Those exposed to the virus no longer required to quarantine
- Universal indoor masking is recommended
- Students can stay in class after being exposed to virus
- It's no longer recommended to screen those without symptoms

*COVID-19 primary vaccines recommended for everyone ages 6 months and older, and COVID-19 boosters for everyone ages 5 years and older, if eligible (*Updated August 2022)*
