1 >> **Firearm Life Plan**  
[firearmlifeplan.org](https://firearmlifeplan.org)

Developed by the University of Colorado to help people think about important questions related to firearms and to protect their families from the burden of making difficult decisions without guidance.

2 >> **Forefront Suicide Prevention LEARN®**  
[inthe forefront.org](https://inthe forefront.org)

Provides steps to take to immediately make your home and community safer, and guidance on what to do if you're faced with supporting someone who may be considering suicide. *Includes webinars, videos, trainings, and other resources.*

3 >> **Washington Safe Storage Map**  
[hiprc.org/firearm/firearm-storage-wa](https://hiprc.org/firearm/firearm-storage-wa)

An interactive map designed to help people in crisis identify local options for temporary, voluntary firearm storage outside of their homes.

**Extreme Risk Protection Order (ERPO)**  
[protectionorder.org](https://protectionorder.org)

WA State residents are encouraged to petition for an **Extreme Risk Protection Order (ERPO)** when an individual's behavior indicates substantial risk of suicide or harm to self or others.

**Helping Children Cope and Adjust After a Disaster**  
[aap.org](https://aap.org)

The **American Academy of Pediatrics (AAP)** provides resources to help pediatricians, and all adults in a position to support children, after disasters and other crisis events that have the potential to cause short- and long-term effects on the psychological functioning, emotional adjustment, health and developmental trajectory of children.

**Catastrophic Mass Violence Resources**  
[nctsn.org](https://nctsn.org)

The **National Child Traumatic Stress Network (NCTSN)** provides resources to help families and children who may be profoundly affected by mass violence, acts of terrorism, or community trauma in the form of shootings, bombings, or other types of attacks.
