

ACE Academy Post-Program Evaluation with Content Experts / Presenters

Here are the kind of things that we would like to learn from you regarding the ACE Academy presentations.

ACE Academy's goal was to provide an engaging content presentation that focused on prevention of important injury and violence topics.

ACE Academy chose the four injury and violence topics of: Mental health and suicide prevention, intimate partner violence, drowning prevention and water safety, and gun violence prevention.

- 1) To what degree do you feel your topic was
 - a. Engaging for the students?
 - b. An important injury/violence topic for this group?
- 2) Could you share the overall perception of how the presentations landed with the students?
 - a. What went well
 - i. Types of activities
 1. Presentations
 2. Hands on activities
 3. Small group discussions
 4. Large group discussions
 5. Play / role plays
 6. Use of media – music, videos, etc.
 7. Learning about careers
 8. Prizes
 9. Resources handout
 - b. What did not go well
 - i. Types of activities
 1. Presentations
 2. Hands on activities
 3. Small group discussions
 4. Large group discussions
 5. Play / role plays
 6. Use of media – music, videos, etc.
 7. Learning about careers
 8. Prizes
 9. Resources handout
 - c. What would you change in your own presentations?
 - 3) Are these the right topics for this age group – should we change topics or talk about them differently?
 - 4) How do you feel having the pairing of HIPRC content experts with presenters worked? What worked well/could be improved?
 - 5) As a presenter is there any information that you feel like you needed but did not have?
 - 6) As a content expert is there any additional guidance you could have used as the content expert?
 - 7) Do you feel like you received enough feedback and guidance on your presentations?

- 8) Do you feel like there was a good balance between the autonomy of developing your presentation vs. the guidance that we provided you?
- 9) In the process of working with HIPRC was there anything that went well or could be improved?
 - a. Amount of contact
 - b. Communications
 - i. In general
 - ii. Around expectations of the program/presentations
 - c. Introduction and information provided about the program
 - d. Flexibility in scheduling / timeline
- 10) Would this program be something to continue next year?
- 11) Would it be beneficial to partner with the teachers during the presentations?
 - e. Teachers were part of all presentations
 - f. Interns helped with presentations, conversations
 - g. May have been beneficial for all presenters to be in pairs
 - h. May have teachers preview slides because they understand their students and dynamics
- 12) Would you be willing to do this again next year?
- 13) Would you be willing to do this in other settings?
 - i. Do you know others who would be interested in taking part in this?
