Evaluation: Presentation on Mental Health and Suicide Prevention

1. How valuable to you were the following parts of this presentation on mental health and suicide prevention:

	Extremely valuable	Very valuable	Moderately valuable	Slightly valuable	Not at all valuable
Learning about Dr. Greene’s life and career					
Learning facts about suicide prevention and mental health					
Talking together about what our class knows and thinks about mental health and suicide prevention					
Learning about famous people with mental health problems					
Small group discussions					
Learning about suicide prevention and warning signs					
Getting a sheet of paper with resources about suicide prevention					

2. What are three things that you learned today about mental health and/or suicide prevention?

3. What would you like to say to Dr. Greene about his presentation?

4. If this presentation is given again to ACE Academy students next year, what would you change?
